V. M. I.

Lexington, Va., June 8.—B. West Clinedinst, of New York, who has been the guest of the superintendent for the past two weeks, left for New Market on Friday. While at Lexington he has been busy engaged painting portraits of General and Mrs. Nichols. At New Market he expected to collect some data for his painting of the battle, and when that is accomplished he will return to New York.

The superintendent left Wednesday morning for Harrisonburg, where he delivered the address at the commencement exercises of the Harrisonburg Public School.

The usual Decoration Day exercises were held in Lexington on June 2. The cadet battalion in full dress was assembled at 11 o'clock and marched to the Washington and Lee chapel, where arms were stacked during the address. From there the battalion proceeded to the cemetery, where three volleys were fired over the graves. Drills this week have been held as usual, the weather continuing fine. The first part of the hour is devoted to company drill in close and extended order, the last part to battalion drill in charge of the cadet officers. One company under Captain Poague is engaged in firing on the target range from 4:30 until 6 every afternoon. On Tuesday escort to the colors replaced the latter part of next week after which they will be at home on
